

The Residence at Salem Woods

Salem, NH

Owner:	LCB Senior Housing, LLC	Contractor:	Eckman Construction, inc.
Architect:	The Architectural Team	Structural Engineer:	DM Berg Consultants, P.C.
Type:	CFS Trusses	Completion Date:	2015

This 76,000 SF Assisted Living Facility in Salem NH was constructed in 2015. Over 1,000 trusses consisting of hundreds of various profiles were used to achieve the complex traditional craftsman style exterior. The trusses were installed by Metro Walls, Inc. of Manchester, NH.

Constructing Solutions....Delivering Success.
