

Quincy Storage

Quincy, MA

Owner:	SSG Liberty Street, LLC	Contractor:	SSG Construction II, LLC
Architect:	BL Companies	Structural Engineer:	BL Companies
Type:	CFS Roof Trusses Commercial - Storage	Completion Date:	2015

Atlantic Prefab, Inc. provided the CFS roof truss systems for the accent towers on the new five story self storage facility on Liberty Street in Quincy, MA. The towers were constructed of 40' clear span trusses spaced at 48" on-center and topped with metal roof deck. The trusses were installed by Drywall Services, Inc. of Tyngsboro, MA.
