

**Residences at Silver Square**

Swampscott, MA

Owner:	LCB, Inc.	Contractor:	Callahan / Superior Drywall
Architect:	The Architectural Team	Structural Engineer:	DM Berg Consultants
Type:	Roof Truss	Completion Date:	Fall 2016

Description: Atlantic Prefab provided the CFS roof trusses system for this complex mansard style roof. The highlight of this particular project was the Bell Hip style tower roof. The tower roof was prefabricated including sheathing. The roof was designed to be shipped as halves and easily joined in the field.

Constructing Solutions....Delivering Success.
