

Sharon Public Safety Complex

Sharon, MA

Owner:	Town of Sharon, MA	Contractor:	Consigli / TJ McCartney
--------	--------------------	-------------	-------------------------

Architect:	Kaestle Boos Assoc, Inc.	Structural Engineer:	Kaestle Boos Assoc, Inc.
------------	--------------------------	----------------------	--------------------------

Type:	Roof Truss	Completion Date:	Fall 2016
-------	------------	------------------	-----------

Description: Selected by T.J. McCartney Inc., Atlantic Prefab provided the CFS roof truss system for this new Safety Complex. Two of the three buildings are topped off with our roof trusses. Our forethought and years of real life experience proved valuable when it was discovered that one of the main carrying lines of steel was off from plan. We were able to provide a cost effective solution that avoided costly re-work and lost time.

Constructing Solutions.... Delivering Success.
