

### New England Institute of Technology

East Greenwich, RI

Owner:	NEIT	Contractor:	Cranshaw Construction/ Century Drywall, Inc.
Architect:	Elkus / Manfredi	Structural Engineer:	Veitas & Veitas
Type:	Roof Truss	Completion Date:	July, 2016

**Description:** Atlantic Prefab provided the Pre-Engineered Metal Roof Truss System for the new 400 bed Residence Hall at NEIT. API was involved early on in this project assisting the Design Team and CM with determining the most economical use of the truss system. Trusses were spaced 48" on-center. Layout and web locations were coordinated with the HVAC contractor to provide clear access for the duct work.
