

Exeter Subaru

Exeter, NH

Owner:	Exeter Subaru	Contractor:	Jewett Construction / Optiline Enterprises
Architect:	Bruce Ronayne Hamilton Architects	Structural Engineer:	Emanuel Engineering
Type:	Roof Truss	Completion Date:	March, 2016

Description: Atlantic Prefab provided prefabricated canopy trusses for the exterior of this new addition. The prefabricated canopy trusses enabled the customer to lower on-site labor needs and meet the project's aggressive schedule.

Constructing Solutions....Delivering Success.
