

235 Commerce Way

Portsmouth, NH

Owner:	235 Commerce Way, LLC	Contractor:	Metro Walls, Inc.
Architect:	Pro Con, Inc.	Structural Engineer:	Pro Con, Inc.
Type:	Head-Jamb-Sill Panel System	Completion Date:	Summer 2018

Atlantic Prefab designed and fabricated 12,000 SF of Exterior Framed Wall Panels to this 3 story office building in Portsmouth NH. API not only provided the exterior wall panels but also window bucks as well as HSS Tube Steel to support large window openings. This building's exterior was completely wrapped with our panels in just 5 crane days.
