

**Portsmouth Police Department**

Portsmouth, RI

Owner:	City of Portsmouth RI	Contractor:	Baystate Drywall
Architect:	DRA	Structural Engineer:	Girard and Company
Type:	CFS Roof Trusses	Completion Date:	End of Fall, 2018

API designed, fabricated, and installed CFS roof trusses and roof rafters for this brand new police station, for the Portsmouth RI PD. In addition to the truss and rafter areas we also provided all the framing for the Eave areas, of which there were plenty!

Constructing Solutions.... Delivering Success.
