

Benchmark Senior Living

Newton Center, MA

Owner:	Benchmark Senior Living	Contractor:	Optiline
Architect:	BFE Architects	Structural Engineer:	Michael E. Waterman PE
Type:	CFS Roof Trusses and Metal roof decking.	Completion Date:	Fall 2018

Atlantic Prefab designed and fabricated 20,000 SFT of CFS roof trusses for this senior living center. We provided a variety of truss types for the mechanical and flat areas of the roof, as well as provided eave framing and metal roof decking for both roof areas.

Constructing Solutions.... Delivering Success.
