

Oxford Casino Hotel & Expansion

Oxford, ME

Owner:	Churchill Downs Inc.	Contractor:	Cianbro
Architect:	R2A Architects	Structural Engineer:	Macintosh Eng.
Type:	Cold-Formed Steel Wall Panels	Completion Date:	Fall 2017

Atlantic Prefab designed and fabricated four stories of load bearing pre-finished exterior panels including the "Frame Only" interior load bearing panels supporting the precast concrete plank floor system. In addition the building was topped of with A.P.I.'s CFS roof truss system. All components were installed by Metro Walls Inc.

Constructing Solutions.... Delivering Success.
