

### Merrimack College Andover, MA

Owner:	Merrimack College	Contractor:	Metro Walls, Inc. / ProCon Construction
Architect:	Procon	Structural Engineer:	Procon
Type:	Exterior Wall Panels	Completion Date:	Fall 2017

Atlantic Prefab designed and fabricated exterior wall panels for this three story Academic Pavilion on the Merrimack College Campus in historic Andover, MA. The panels were pre-sheathed and enabled the rapid close in of the structure during the winter months. This approach enabled the interior work to start early and meet the aggressive academic schedule.

Constructing Solutions.... Delivering Success.
